U15 A TOURNAMENT

ALL GAMES IN ICE FOR KIDS ARENA

January 2, 3, & 4 2026

Memorial Sports Center

Fort Frances, Ontario

TOURNAMENT RULES

1. Hockey Canada and HNO rules shall apply unless superseded by tournament rules. Official Rosters & Travel Permits are required to be provided to the Tournament Convenor prior to the first game. Player and Team Official suspensions will be as per HNO guidelines.

(a) Any coach ejected from a game will be assessed a minimum one (1) game suspension.

(b) If any player receives 3 penalties of any kind in a single game, that player will be ejected for the remainder of the game.

In addition to the Hockey Canada rules, the following rules will apply:

2. A 3 minute warm-up will be allowed prior to each game. (Time permitting)

3. One 30 second timeout is allowed per game per team for Sunday games only.

4. The Referee's decisions are final. All on-ice calls by referee(s) are not subject to protests.

5. Rosters: Players must be registered with governing bodies & official rosters must be submitted as per the above. Players can only be rostered to one team for this tournament.

6. Contact Info: Coaches are asked to leave a phone number with the committee where they can be reached during the weekend.

7. Arrival and Start Time: Teams are requested to be at the arena at least 1 hour prior to each scheduled game to obtain game sheets, dressing room assignment and room key. Games may start up to 15 minutes early depending on ice cleaning and referee schedules, so please ensure teams are ready 15 min prior to scheduled start time.

8. Dressing rooms: must be kept clean. Failure to comply may result in a $50 fine or game forfeit.

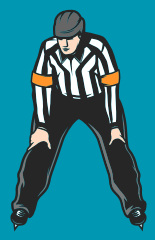
9. Ice cleaning: will be after every two periods.

10. Uniforms: In general, the Home team will wear light colours and the Visiting team will wear dark colours. If a team only has one colour, the other team will change to suit wherever possible. Coaches shall have a discussion before each game to avoid conflicts.

11. All Games: will consist of three 15-minute period with resurfacing after every two periods and clock will be stop time. At any point during the third period with a 5-goal difference occurs, the clock will be run-time. If the game returns to a 4-goal or less difference, the clock will revert to stop-time, and so on. There will be no overtime or shoot out in pool play games. Overtime rules will apply to Playoff games.

12. Playoff Games: In the case of a tie, there will be one 5- minute 3 on 3 stop time period. If the outcome is still not decided, then each team will select three players who will taking penalty shots. A player may only shoot once.
Visitors will shoot first followed by the home team. If the tie still has not been broken, the shoot out will continue one player at a time. All players on the bench must shoot once before any player shoots twice. If any players are in the penalty box at the end of the period, they may not shoot until all other players on their team have shot.

13. Point allocations: Win= 2 points, Tie= 1 point, Loss=0. All pool play games that are tied will remain ties. Seeding will be based on the most points.



If teams are tied at the end of pool play, these are the seeding tie breakers:

I. Head to Head.*
II. Formula, using common opponents only: $\frac{\text{Goals For}}{(\text{Goals For + Goals Against}^{**})}$
III. Teams with the least goals allowed in pool play, using common opponents only
IV. Fewest penalty minutes in all games
V. Coin Toss

* In the event that 3 or more teams are tied at the end of the round robin, for purposes of ranking those teams, the Head To Head Sweep Rule will be in effect. If one team defeated each of the others, they will be the higher seed and the other teams will revert back to the tie breaking rules. If one team lost to each of the others, they will be the lower seed and the other teams will revert back to the tie breaking rules. If the Head To Head Sweep Rule does not apply, the calculation moves to the next step in the ranking hierarchy (Section II), and so on, until all rankings are determined.

** The maximum goal differential for any game will be 5 goals. For example if the final score of a game is 12-2. It shall be recorded as an adjusted score of 7-2.

14. Ranking: All teams will be ranked in an overall ranking based on the results of pool games, based on the point allocation ruling noted above.

15. Fighting will result in tournament suspension.

16. A zero tolerance policy will be strictly adhered to. Abusive behavior by any player, coach, official, or fan will not be tolerated and may be subject to discipline by the Tournament Committee.

17. Protests: all protests must be in writing and accompanied by a $250.00 CASH non-refundable fee within THIRTY minutes after the end of the game. Please remember, Referee(s) decisions are final. All on-ice calls by Referee(s) are not subject to protests.

18. Injuries to any player, team official, or spectator, will not be the responsibility of the Fort Frances Minor Hockey Association or any members of either the tournament committee or FFMHA.

19. Inquiries: please go to the tournament room (upstairs IFK arena), only rostered coaches or team managers may go to the tournament room with inquiries.

20. A team will have no more than five team officials on the Players' Bench at any time, which must include at least one Hockey Canada Safety Person (HTCP in Ontario).
